## GOALIE MASKS

# W12

**Available in sizes:** S, M, L, XL

**Standard colors:** Carbon finished with lacquer, White, Black

New SIX12 padding material provides incredible comfort fit and shock absorption. Multi-piece construction of padding makes the mask easily customizable.

High pressure heat molded shell made of 12 layers Aramid and Carbon Prepreg fibers. Fibers infused with strong Epoxy resin provides super durable, light and stiff construction.

High pressure molded Carbon,  
Kevlar and Glass fiber shell.

# W10

Available in sizes: S, M, L, XL

Standard colors: White, Black

Classic NX liner provides  
comfort and safe fit.

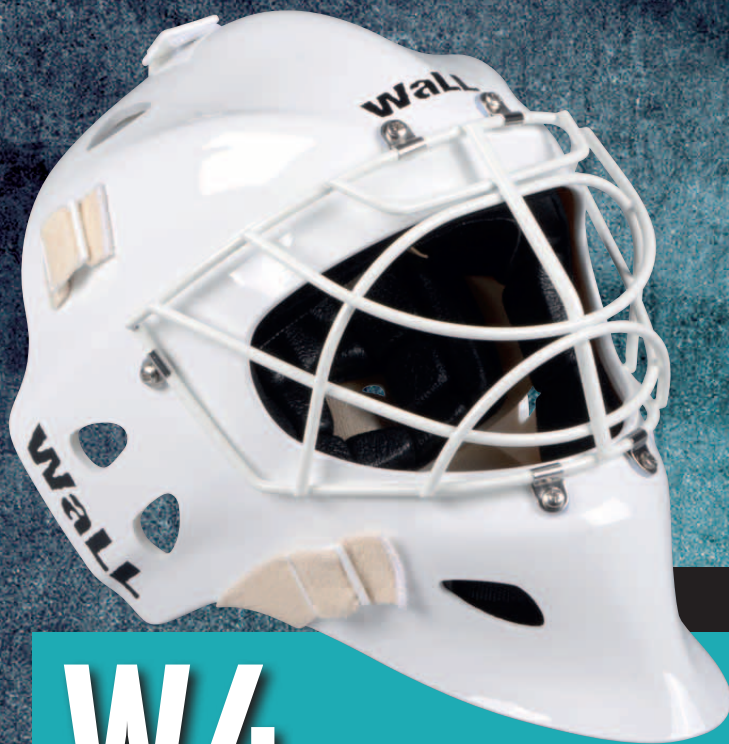

New W7 is pro level mask based on  
our popular W6 with new, more  
comfortable and safe padding.  
Streamlined shell is made  
of durable polycarbonate  
material.

# W7

Available in sizes: S, M, L  
Standard colors:  
White, Black

New deeper skull plate  
gives complete  
coverage and fit

SR

# W4

**Available in sizes:** JR (from age 10 to 14, head size 54-57 cm)  
SR (head size 57-60)

**Standard colors:** White, Black

Classic and safe model for hobby level and lower divisions. Comfort fit with heat-molded and removable padding.

JR

Youth mask  
from age 6 to 10.  
Constructed with  
same high level  
standards as our  
senior masks.

# W1

**Standard colors:** White, Black

Stiff ABS shell with stainless  
steel cage and NX padding  
provides the best protection in  
youth mask category.

## Custom painting

Wall airbrush artists have created thousands of custom painted masks. Plan your own design and we will carry it out.

## Accessories

We offer a full line of replacement parts for all Wall masks, including cages, sweatbands, straps, screw sets, buckles, padding sets etc.

## Leading mask manufacturer in Europe

Wall masks have wide face opening and optimized cage design for better vision.  
Stainless steel cage options are Cat Eye, Cat Eye Double Bar, Cheater, Europe and Canada.  
Adjustable chin cup with safety lock. Sweat band and mask bag included.

Our number one priority has always been to offer the best quality and safest goalie mask in the world. This ambition has kept us developing the Wall Mask the past years, by closely co-operating with the world best goalies and goalie coaches.

The latest material innovations and the best craftsmanship with over 20 years of experience are the key words in our standard. All our masks are designed and handmade in Finland.
